Sustainability Accounting Standards Board (SASB)

The Sustainability Accounting Standards Board (“SASB”) is an independent, private sector standards-setting organization whose mission is to develop sustainability metrics to disclose material, useful information to investors. The table below shows the topics from those listed by SASB in our relevant industries and that are discussed in PotlatchDeltic’s 2023 Corporate Responsibility Report. For quick reference, we have indicated below the location(s) in our Corporate Responsibility Report and other public reports where these topics and metrics are discussed. For those issues not discussed in our 2023 Corporate Responsibility Report, or with as much detail as provided in the table, only data is included without location references. Information is as of December 31, 2023 unless noted as different.
